Good Morning, over the past three weeks I have spoken to Mr. Marcilliat many times about this situation. Included in the conversation is Sheriff Hall and the Director of High Schools, Mr. Hinote. Are you suggesting that this took place on campus?

Mrs. Lynn Atkins is the person who informed Officer Oakes wife of the incident from what I was told. Apparently Mrs. Oates is the one that asked for Officer Oates to be relocated, which took place Monday. Can you tell me why Jennifer Gunn is still at Jay High School? She should face consequences as well as Officer Oates has. Apparently whatever kind of relationship they have has been going on for some time now. Students have made comments on numerous occasions regarding the flirting, affection, and touching between these two.
